Course/Group Items:

This student feedback questionnaire is based on UCT's Teaching & Dearning Charter which guarantees minimum teaching standards to students. Class reps are to ensure that lecturers and the student Faculty Council receive the results of this survey and that the class receives a summary of the results and a response to the results from the lecturer(s) concerned.
For each of the questions below, please choose the response that most closely

choose the response that most closely matches your opinion. All compulsory questions must be completed before you can submit. Please take the trouble to answer the first 3 global open-ended questions and where relevant, provide further comment to the closed questions that follow. Your feedback is anonymous, so please provide honest and thoughtful responses that can be used to improve the course. Thank You.
A. Course

What aspects of this course do you appreciate or value?

Text answer to question 1.
 Text answer to question 1
 Text answer to question 1

What aspects of this course do you find particularly difficult?

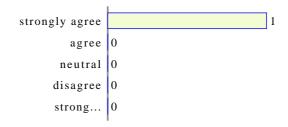

longer text answer to question 2: For each of the questions below, please choose the response that most closely matches your opinion. All compulsory questions must be completed before you can submit. Please take the trouble to answer the first 3 global open-ended questions and where relevant, provide further comment to the closed questions that follow. Your feedback is anonymous, so please provide honest and thoughtful responses that can be used to improve the course. Thank You.

What aspects of this course do you think need attention?

• short answer to q3

Rate the purpose of this course:

The course meets my expectations and is relevant to my programme as a whole.

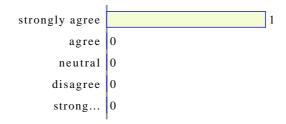

Rate the <strong style="""
>organisation of the course:

The course is well-planned and well-managed.

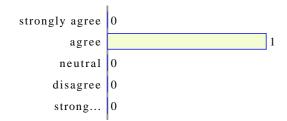

Rate the learning activities offered on this course:
believe the learning activity is useful and coherent.

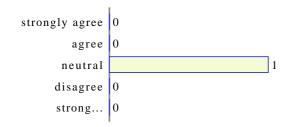

lectures

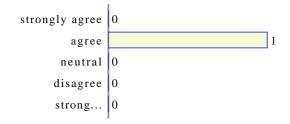

tutorials

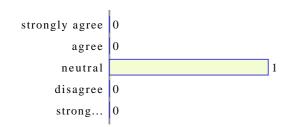

practicals

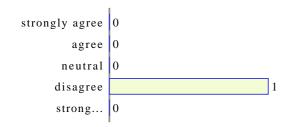

workshops

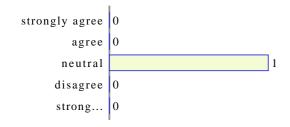

seminars

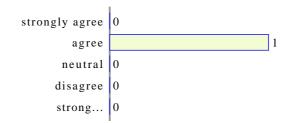

hot-seat

on-line resources

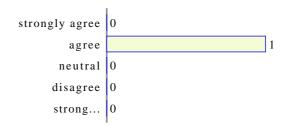

lecturer consultations

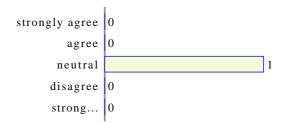

tutor consultations

	I	
strongly agree		1
agree neutral	0	
neutral	0	
disagree	0	
disagree strong	0	

field trips

group work

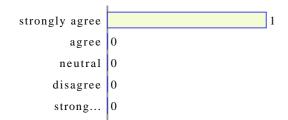

If any of the above learning activities were problematic, please comment further.

• full text answer for q17
