The following is a bulleted (unordered) list:

- item red
- item blue
- item green

But when you save the question, the **bullets do not display** on the screen that shows the instructor all questions on the test:

Question 4 of 4

The following is a bulleted (unordered) list:

item red

item blue

item green

The following is a numbered (ordered) list:

1. item yellow

2. item green

3. item purple

Maximum number of characters (including HTML tags added by text editor): 32,000

[Show Rich-Text Editor \(and character count\)](#)

Note, however, that there is no problem with displaying ordered (numbered) lists to students or to instructors.
