## Notes for Statistics 1-2.1

### Notes

- To the right of the number of responses, the system will display the percentage of students that selected/entered each response for the following question types:

- \* Single Correct
- \* Multiple Correct, Single Selection
- \* Multiple Correct, Multiple Selection
- \* True/False
- \* Multiple Choice Survey
- \* Matching
- \* Fill in the Blank
- \* Numeric Response

- If no students selected a response, the system will display "(0%)".

**Note:** The percentages displayed will not always add up to 100%.

For a preview of each question type and how the system will display the percentage of students that selected/entered each response, see the "Statistics Preview" screen.
