# 📄 ASSIGNMENTS

Upload All

Select an archive file to upload, choose options, and then click 'Upload' at the bottom. Required items marked with *

ⓘ
- The archive file should contain a folder for each student. (Download Template)
- Each folder can contain a comments.txt file, the student's submission with instructor comments you have added, and/or other files you want to return with the student's submission.
- The upload time needed is related to the zip file size (max 250 MB) and the connection speed. If you only need to upload a subset of the zip file, please limit your zip file size first by choosing options accordingly in the Download All process.

⚠ NOTICE: If you switch between languages in your preferences, for example English to Spanish, you will need to upload this archive in the same language as it was downloaded (or re-download and use a new archive).
